

المدرسة العالمية الأمريكية
UNIVERSAL AMERICAN SCHOOL
FESTIVAL CITY

A WORD FROM OUR DIRECTOR

When you step into Universal American School, you will be welcomed by a diverse and inclusive community of caring and curious individuals.

Our students are inspired to challenge themselves within a rich academic, artistic, and athletic educational program rooted in the New York State standards and taught through the framework of the International Baccalaureate.

Director
Mr. Kevin Loft

A BOUTIQUE AMERICAN CURRICULUM AND IB WORLD SCHOOL

Universal American School was founded in 2005. Since then we have served our students every day, helping them become compassionate, confident learners who know who they are and what they stand for. As you learn more about UAS the term “community” will resonate with you again and again. We are a small, not-for-profit school in the heart of family-friendly Festival City. There is a wonderful feeling about our school which comes from our mission: *To nurture an internationally minded community of integrity and academic excellence.*

A NOT FOR PROFIT SCHOOL

UAS is uniquely positioned as a not-for-profit institution under the governance of the Al Futtaim Education Foundation, part of the Al Futtaim Group. This structure allows us to invest directly back into the school, enhancing the quality of education and resources available to our students. Collaborating with an esteemed organization like Al Futtaim Group enables us to provide unparalleled real-world learning experiences that set us apart from other schools.

UAS is an exceptional environment for both personal and academic growth. Our students have the opportunity to engage in a wide range of activities, from participating in our annual Fringe Festival and musical productions to supporting our sports teams and debating in Model United Nations. UAS students are also given the opportunity to be part of various student groups, such as the Emirati Committee and the National Honors Society. At UAS, there truly is something for everyone, ensuring that each student finds their place and passion within our vibrant community.

WELL DONE, CLASS OF 2025!

WHAT INSPECTORS SAY ABOUT UAS

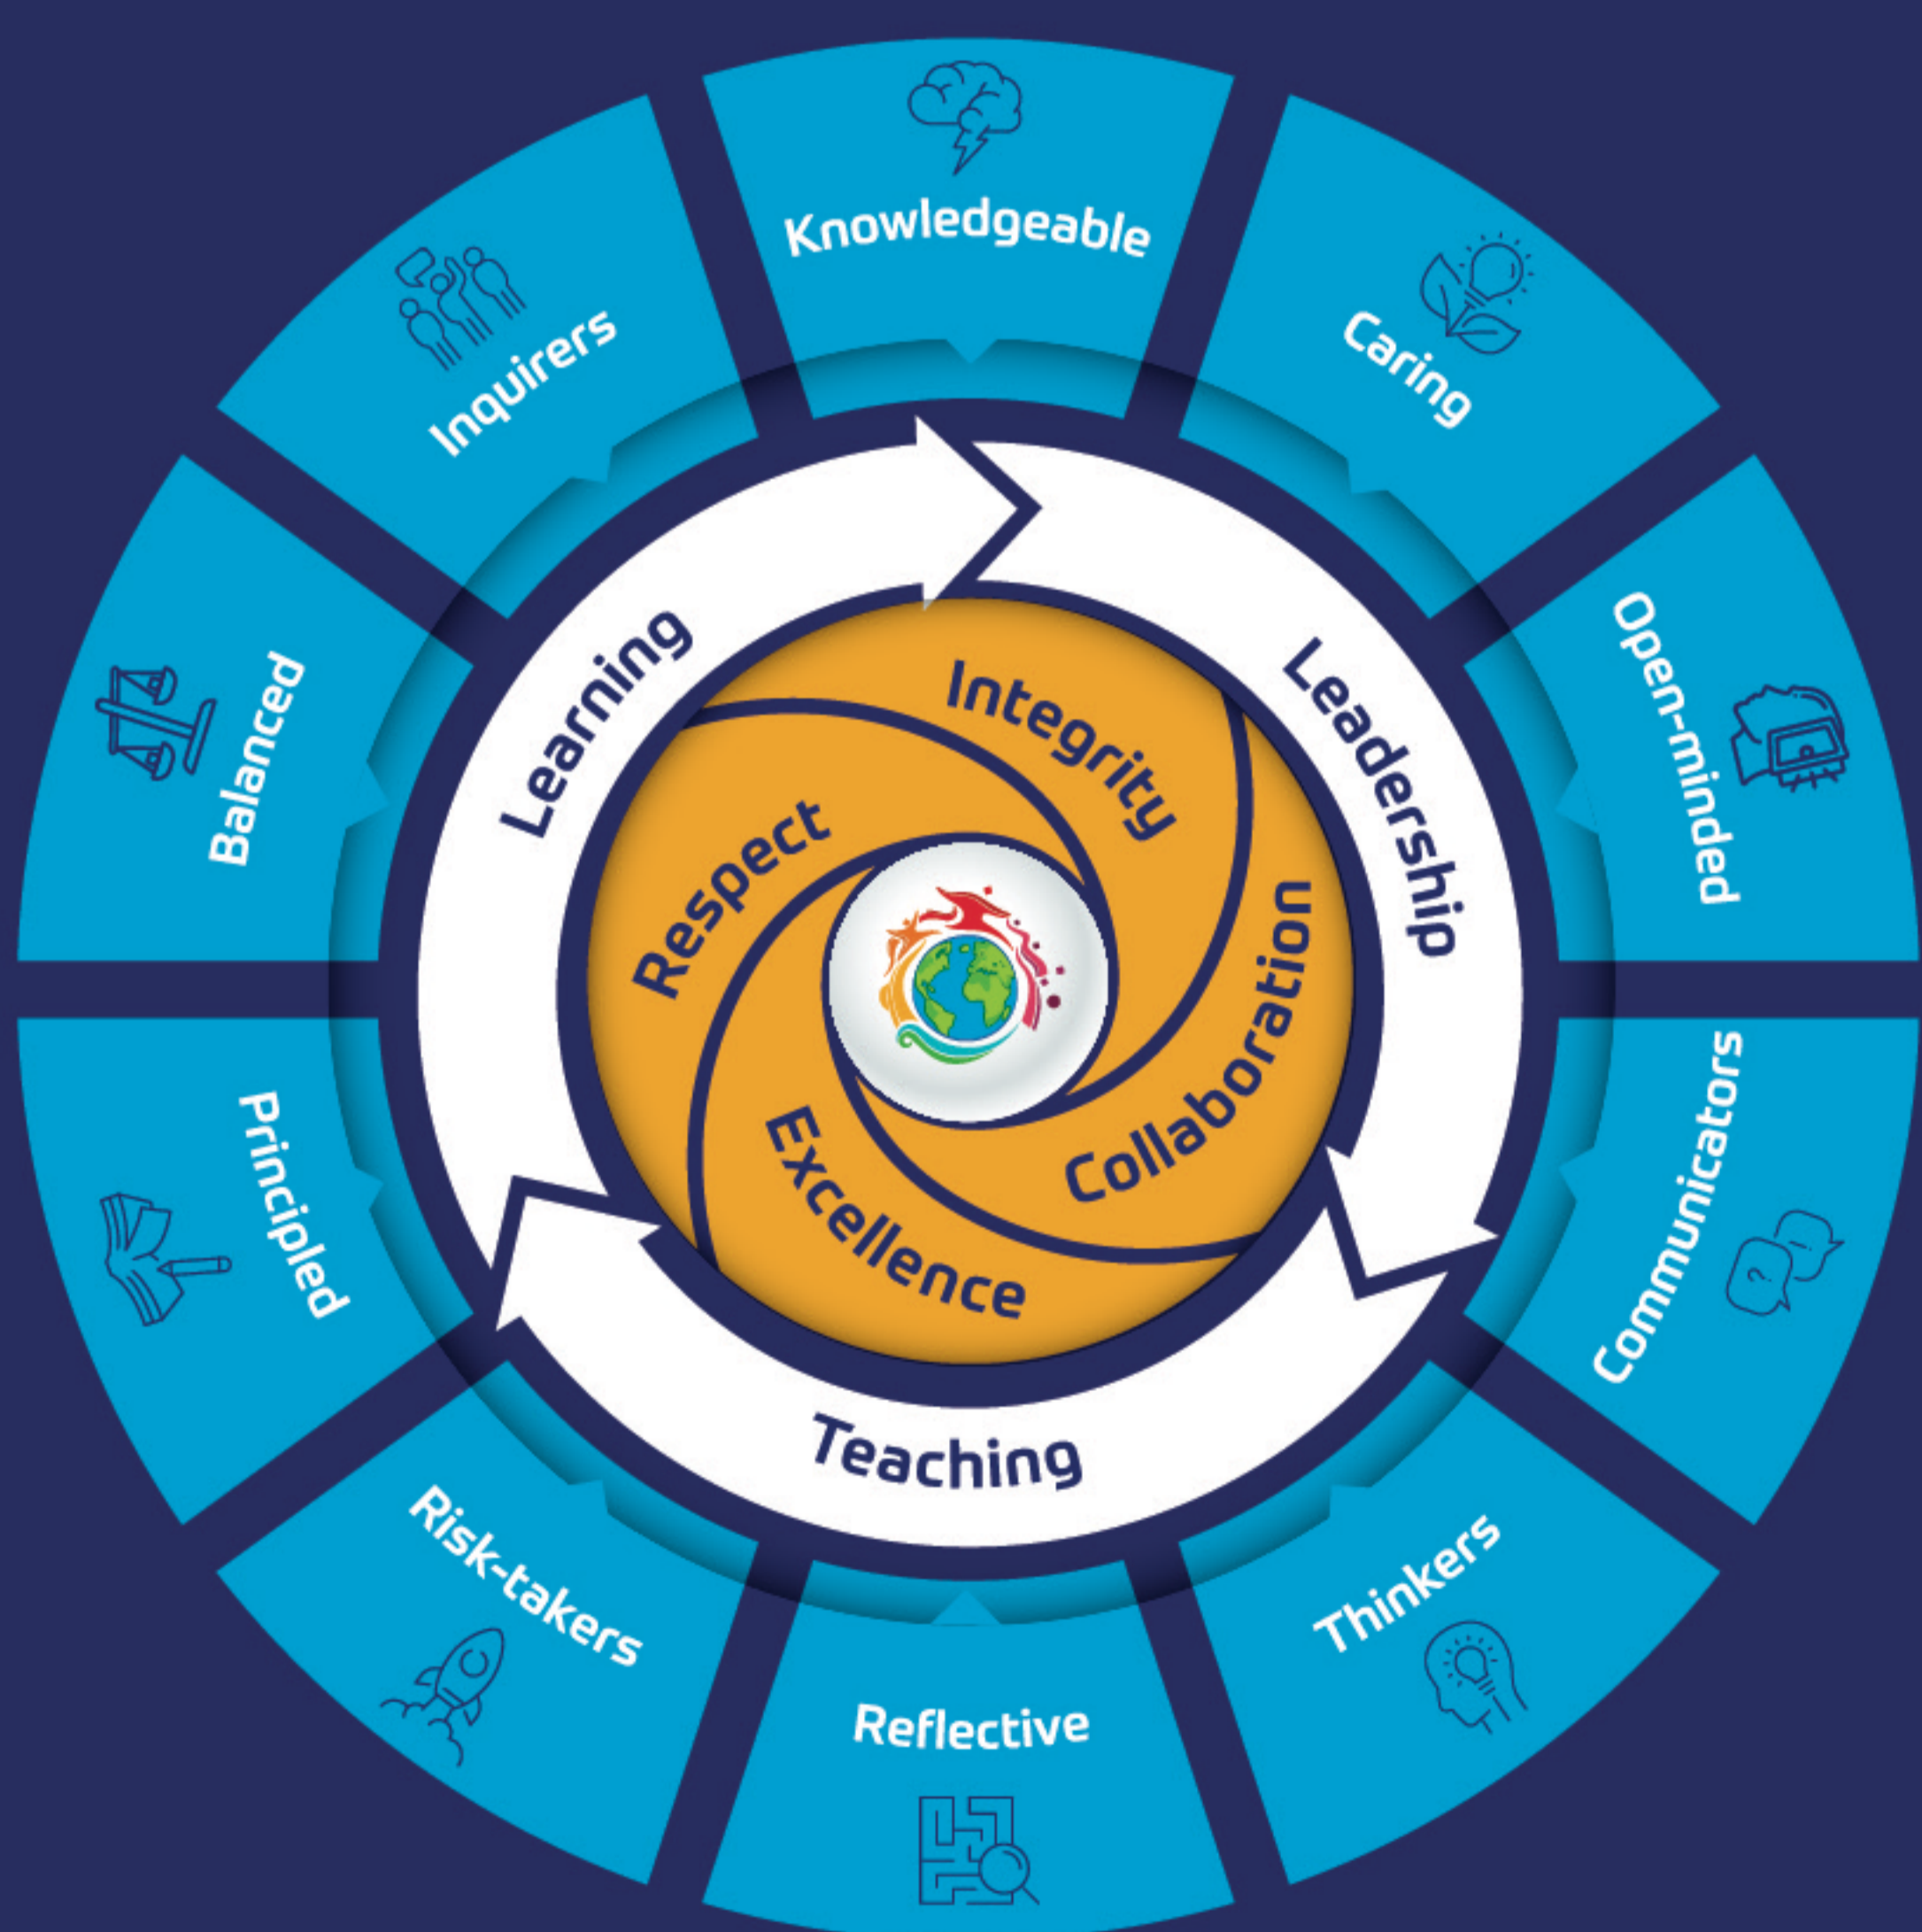

KHDA Comments

- Students' very positive behavior contributes to a harmonious learning community.
- The strong wellbeing vision fosters a culture of care and respect, making everyone feel valued and supported. It also provided students with a safe, happy environment for furthering achievement.
- Students' progress is carefully monitored using individualized data tracking. Assessment results are regularly communicated to and appreciated by parents.

IB Comments

- Teachers, Leaders and governors are passionate about their work and demonstrate an unwavering dedication and commitment to it.

With the choice of our international track through the IB Diploma pathway and our American track through Advanced Placement and American High School Diploma UAS offers a uniquely personalized learning opportunity all the way to graduation.
